YESTERDAY'S BASEBALL.

A good game of ball was played at Kaplani Park yesterday afternoon between the Aulas and the Artillery team, the latter winning out by the close score of 7 to 5. The Aulas had 6 runs to the Artillery's 5 when the latter team went to bat for their last inning but Stapleton caught it at the right moment and sent the ball away over to right field and thereby bringing in two men.

The Makikis beat the Iron Works team yesterday by 19 to 5. After the second innings the Makikis seemed to score when they pleased.

Out at the Makiki grounds yesterday the Twilights defeated the Steam Laundry team by 19 to 5.

LAHAINA NOTES.

E. Kruse, who has recently returned from the mainland, arrived on Tuesday evening. He was formerly manager of the Olowalu plantation, and on leaving that position, visited his old home in Germany. On November 1 he will assume the direction of the Lahaina Store, which has been under the management of C. B. Olsen for six years. Olsen has made arrangements to remove to Honolulu.

Carl Weldeyer is developing an abundant supply of water for the Pioneer Plantation at Kauaia gulch. The flow was only slightly diminished during the long rainless season.

NOTHING NEW.

The esteemed newspapers are making as much fuss over the fact that bad whiskey killed a few people the other day as if bad whiskey hadn't been doing that sort of work for a century or so.—Baltimore American.

A Friend in Need is a Friend Indeed.—That is exactly what Chamberlain's Cough Remedy is. It is the mother's help when she is suddenly awakened in the night by the ominous husky cough, and labored breathing of her babe. It is the safe resort of the youth or adult when he has "caught cold" and there is coughing and irritation of the mucous membranes of the throat. It allays the irritation and cures the cold. Sold by all dealers. Benson, Smith & Co., agents for Hawaii.
